**Meet new friends, learn a new skill & experience the festival atmosphere!**

The Tall Ships Races, presented by Szczecin, organised by Sail Training International, is coming to Scotland and you could be part of it! Race or cruise between ports, and join in with the events on offer in host ports.

If you are between 15-25 years old in July/August 2011, you could be part of the adventure!

The race sails from Waterford, Ireland to Halmstad, Sweden - via Greenock, Lerwick and Stavanger – decide for yourself which leg you'd like to take part in.

*You could join in one country and end up in another!*

Sail trainees have to contribute towards the costs of their voyage, but funding is available. For further details contact:
